

DATA SHEET

Sirman NORDKAPP Ice Crusher

60150002

Build

- Professional Ice Crusher that efficiently crushes ice cubes up to 40x40 mm in size at -3°C, making it ideal for bars and restaurants.
- Suitable for preparing drinks, frozen cocktails, or displaying fresh foods like fish and seafood.
- Adjustable discharge system allows control over the average size of crushed ice.
- Constructed with a durable extruded aluminium body and a stainless steel container.
- Equipped with stainless steel blades and a food-grade ABS opening for hygiene and durability.
- Features a ventilated motor with gear transmission, ensuring reliable performance during prolonged use.
- Integrated micro-switch on the lid enhances operator safety during operation.
